## THE MOVING FORWARD PROGRAM

An educational program  
for parents  
focusing on

children's feelings  
and needs  
through the  
separation/divorce  
process.

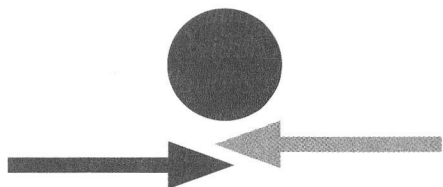

A program of  
CTC of Aroostook

## *What is the Moving Forward Program?*

*This program will provide education about children and what parents can do to create a safe and nurturing environment to meet their children's needs. It will:*

- help parents better understand the effects of divorce on their children;*
- promote understanding for parents about the needs of their children;*
- help parents learn what they can do to help their children recover from the divorce and feel good about themselves;*
- provide an environment for parents to learn problem-solving skills;*
- provide an opportunity for parents to talk with other parents who are going through a similar experience.*

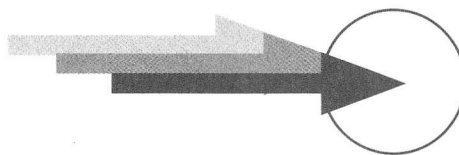

## *Why the Moving Forward Program?*

*Divorce is a process over which children have no control. In many situations, children become the victims. When parents are under stress, it is harder to be in touch with their children's pain and anguish. Also, parents may attend to adult problems first while their children's problems are on hold. It takes time, effort, and planning on the part of parents to be able to provide for children's needs.*

## *Who Should Attend the Moving Forward Program?*

*The Moving Forward Program is open to all parents and step-parents with minor children. We request that parents attend separate sessions. However, parents with new partners and step-parents are encouraged to attend together. Child care is not provided. We request that you arrange for child care off-site.*

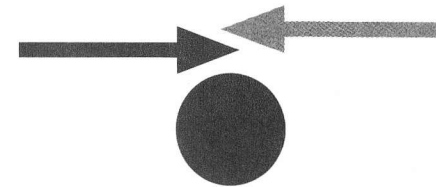

## *What is the Program Like?*

*This program consists of 5 hours of education. Facilitators are experienced in parent education and child development. The program format consists of presentation of information, discussion, videos and role-plays.*

## *How Much Does the Program Cost?*

*The program costs \$60.00 per individual or \$90.00 per couple for the 5-hour training. Pre-payment is required. This fee includes the cost of all materials, a certificate of completion, and beverages and snacks. Lunch is not provided.*
